Awful, lazy, garbage. Pathing issues. Terrible textures. Guns. (Medieval guns?) https://youtu.be/Bke-eVqnCkw. Awful, lazy, garbage. Pathing issues. Terrible textures. Guns. (Medieval guns?) https://youtu.be/Bke-eVqnCkw. only paid 40p for this garbage and I still feel riped off this game has only one map, retard AI ,and no background music at all its fun for total of five minutes AVOID.. What a waste of money so many bugs in it. Just jump on a table stay there and hack n slash the monsters. DO NOT WASTE YOUR TIME OR MONEY!!!! you have been warned.. Very basic and lazy Unity assett flip. Just one map, shooting at a neverending wave of boring enemies for a score. There is nothing changing in the game. At first, i thought, it is ok for a few rounds, then i found a spot where the enemies can not kill you. Lame.
